

MEMBATHISI MCETYWA

JUNIOR FULLSTACK DEVELOPER

+27 81 376 3882 membatheone@gmail.com [my_github_account](#)

PROFILE SUMMARY

My primary goal is to apply my technical expertise all throughout the full software life cycle to ensure production and delivery of products and services that meet the required specifications. And my experience as a junior software developer has directly contributed to the achievement of this goal by enhancing my abilities in designing, implementing, testing, and upgrading software.

SKILLS

React	React Native	TypeScript
JavaScript	PHP	MySQL
GraphQL	Prisma	AWS Serverless
Bugsnag	Zendesk	Flutter
